THEAVENUESLO.COM/PROPERTY/1263

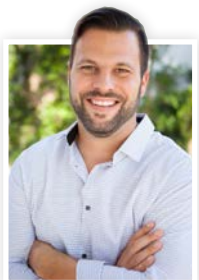

Stunningly bright and architecturally inspired 3-bedroom, 2-bathroom home with a large yard that backs up to a seasonal creek. Vaulted ceilings and open concept living grip you as you walk into this home highlighted by the open oak bannister and the real oak floors throughout the living area. The kitchen has been exquisitely remodeled with high-end contemporary cabinetry, quartz countertops, under-mount basin sink and stainless steel appliances. The living room is centered by a wood burning fireplace and soaked in natural light. The dining area with slider leads to a TimberTech deck overlooking the huge, private backyard. Upstairs is the brilliant master suite with vaulted ceilings, updated en-suite bathroom, walk-in closet and slider to a deck overlooking the yard. Downstairs are two good-sized bedrooms and updated bathroom. Other updates included newer dual-pane windows and sliders, newer furnace and exterior trim recently painted. With the majority of the shared wall along the garage and a park on the other side, this home feels like a private, detached single-family home. And all of this on a quiet street next to a park. It's really a must-see home - from the living area drenched in natural light to the inspiring kitchen to the stunning master suite with deck overlooking the large, private yard. It won't last long!
