Beautiful traditional style home with major curb appeal and attention to detail! This home was remodeled/rebuilt in 2007 and designed with an open floor plan, high vaulted ceilings, hardwood flooring & wainscoting throughout, custom wood paneled ceilings, and lots of windows to bring in plenty of natural light. The great room features custom built-in cabinets, a gas/wood burning fireplace and is open to the dining and kitchen area. The kitchen is complete with white cabinetry, a gorgeous gourmet La Cornue gas range, a large island, dishwasher drawers and large walk-in pantry. The main floor includes a bedroom suite with its private bathroom, an additional bedroom, a hallway bathroom with a jetted tub, and an oversized storage closet. On the second floor you'll find the large primary bedroom suite with sitting area, a large walk-in closet with built-in shelving and enclosed bathroom with a separate shower and jacuzzi tub as well as the laundry room with sink & built-in counter area for lots of storage, a fourth bedroom with built-in shelving in the closet and a curved balcony looking down onto the first floor. The home also boasts a 2-car garage with built-in cabinets, Smart App controlled thermostat, lights, and irrigation system, two heating & A/C units for upstairs and downstairs, double pane windows, tankless water heater, mature landscaping in front and backyards, a front porch, white fenced front yard and situated on a quiet tree lined street!
