

## CLIENT TESTIMONIALS / KRISSY BELLISARIO

*(listed oldest to most recent)*

★★★★★ “We recently decided to purchase a home and had no previous experience with homeownership. We contacted Krissy and from that moment she walked us through the entire process. She showed us numerous homes, sent homes for us to think about, answered every phone call promptly, sat and talked through options and priorities constantly, and eventually found us the home of our dreams. Once we found the home she was set on helping us get it. I am convinced her dedication to our family was the ONLY reason we now own our home that we plan on being in forever. We could not have gotten through this process without Krissy. She was professional, compassionate, and extremely knowledgeable. I wholeheartedly recommend her to anyone who wants a true partner in finding the right home for them.”

★★★★★ “With career promotions and career changes over the past few years, one thing has remained constant: relying on the expert advice and incredibly dedicated efforts of Krissy Bellisario as my realtor. Krissy is savvy in regard to the best real estate opportunities in the regional market. She is impressively wise in making recommendations and handling negotiations. She makes each client feel as though they are her ONLY client. Unlike other realtors with whom I’ve worked prior to working with Krissy, her attention to her clients is genuine and lasting, not only for the duration of a single real estate transaction. Trust me when I say that you cannot go wrong in choosing Krissy Bellisario as your real estate agent.”

★★★★★ “I initially contacted Krissy regarding one of her listings that I had interest in. She was immediately friendly, professional and willing to take as much time as it took at answer all my questions. Though I was not able to purchase that particular home I was able to reconnect with Krissy when my home finally sold and she was instrumental in helping me get into a home in a highly competitive area, in a multiple offer scenario. This was a challenging purchase but Krissy handled it perfectly with just the right amount of initiative and patience. She stayed on the listing agent and kept my name in the forefront. She kept me informed every step of the way, I never had to wonder what was happening with the transaction. I have worked with numerous realtors over the years and I am confident that it was Krissy’s expertise and outstanding interpersonal communication skills that won out. She will be the first person I call when I go to buy or sell in the future and I recommend her wholeheartedly.”

★★★★★ “Working with Krissy to purchase my new home in Los Osos was a wonderful experience! Krissy went above and beyond to help me find the perfect place. I live in Montana and I would never have thought I could purchase a home long distance but Krissy made it easy and fun!. She always returns your calls promptly and is incredibly knowledgeable about all matters regarding real estate. Smart, trustworthy and hardworking, that is Krissy Bellisario. I highly recommend using Krissy as an agent to either buy or sell your home.

- **Mary Barrett**

★★★★★ “What a journey! Krissy helped me sell the condo that she helped me purchase two years ago in a completely different economic climate with inflation, skyrocketing mortgage rates and a changing real estate market. But she was very knowledgeable about trends, competitive pricing and went the extra mile to prepare the property for sale and closing. Despite having to wait a bit longer for the right buyer, she made things so much easier and smoother and at a distance since I moved two and a half hours away from SLO. I highly recommend anyone to work with Krissy. You won’t regret it!”

- **Savio Chan**

We would highly recommend anyone looking for their next home or a second home to definitely consider Krissy Bellisario to help them find their real estate.”

I recommend Krissy — without any hesitation — to anyone looking to buy a house on the Central Coast!”

★★★★★ “Look no further and don't waste your time using another agent. Krissy is the real deal. She is always available, walked me and my wife through everything, was very detailed, had all the connections in the area for whatever needs we had, and even watered the plants in our front yard before a showing. Doing all of this during the pandemic had its challenges, but Krissy handled everything with ease, professionalism, and honesty. She always ran through the options with us during each step of the process and prepared us for what to expect as next steps. Krissy is very responsive and at the drop of a hat will take care of whatever you might need as a buyer or seller. Do not be deceived by other realtors in the SLO area that will do whatever it takes at your expense to get the sale. We even used her to help us buy our next house in the San Diego area. You will not be disappointed if you work with Krissy.”

I can’t recommend her more highly!”

- **David Tuttle**

★★★★★ “Krissy was wonderful! She was quick to respond to all of our inquiries before and after our home purchase. She was very friendly, and patient with us throughout the process. . Both my wife and I highly recommend her.”

- **Barry Kurpinsky**

★★★★★ “Krissy listened to my dreams and made them a reality! She tirelessly explored every possible option within my budget challenge since I was searching from over five hours away, on a fixed income, with disabilities, a big old dog, and a long list of must-haves, including a yard, open space, a supportive community, no HOA, and a lemon tree!”

She attended open houses, shared videos of homes and neighborhoods, and even captured community vibes by filming traffic and scenery as she drove. Despite my specific needs, rapid market turnover, and homes requiring too much work for me, she never gave up—even when I felt discouraged and uncertain if I could return to the Central Coast, my true home. At one point, I took a break and even considered other states, but I knew I belonged here. When I asked Krissy if she’d help me again, she instantly said, “Yes, absolutely!” She connected me with a lender, and we found a wonderful twin home in a 55+ community. Even when I was outbid on one, she reassured me: “Don’t get discouraged—your perfect home is waiting!” And she was right! Today, I own a beautiful twin home on a spacious corner lot, surrounded by flowering trees and an immense lemon tree bursting with fruit. There’s even a dog park just a few doors down—all with no HOA fees! Without Krissy’s boundless energy, deep market knowledge, and unwavering commitment, my dream may never have come true. I’m beyond grateful!”
